

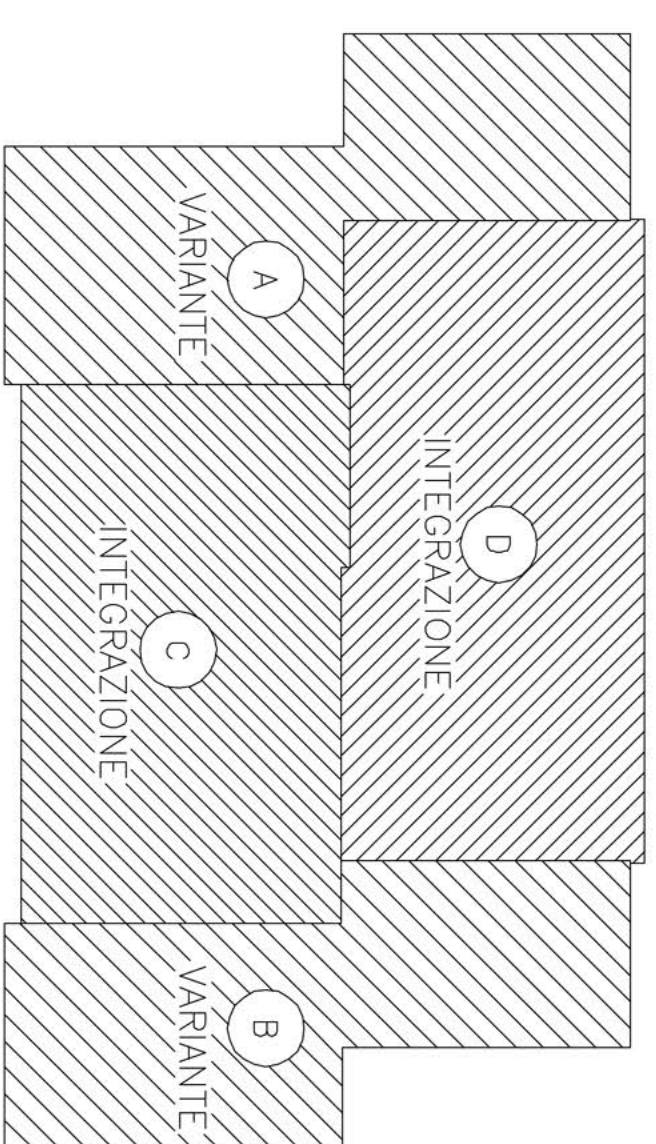

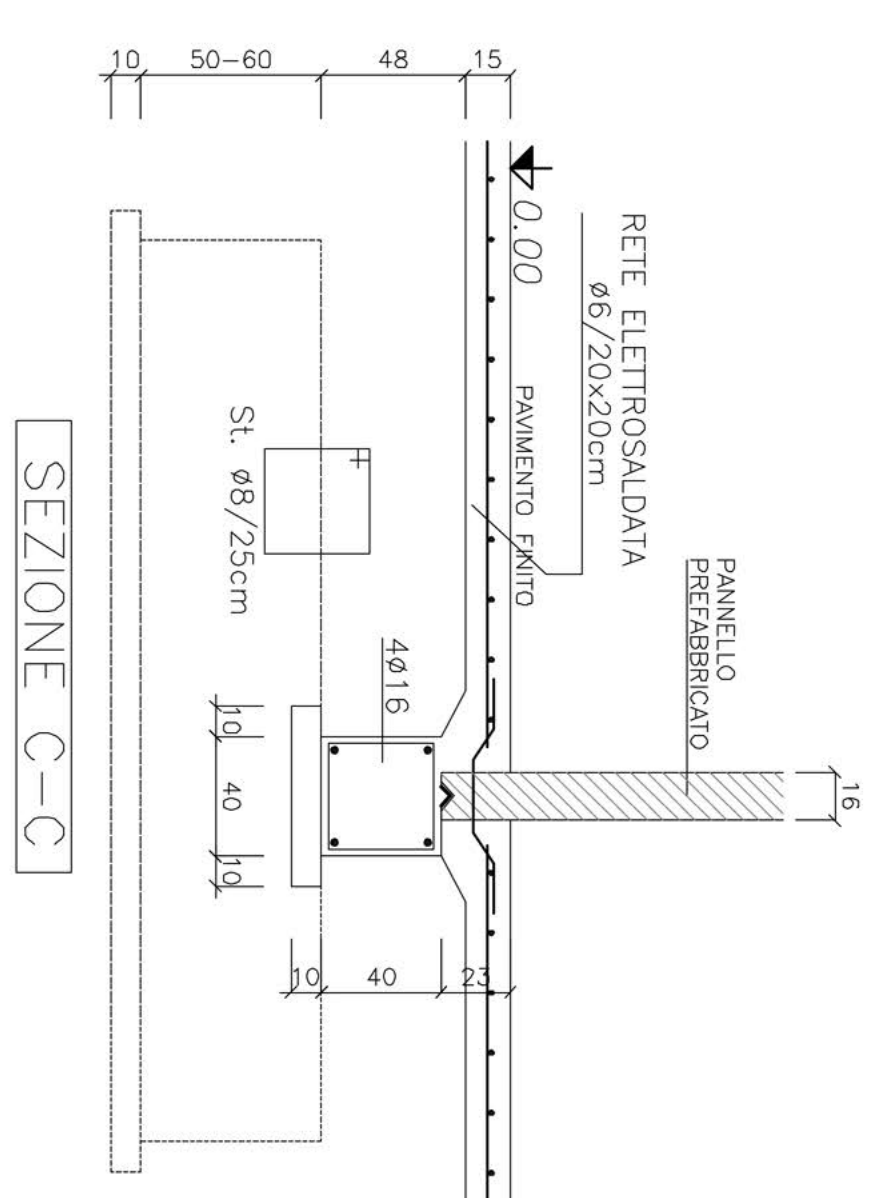

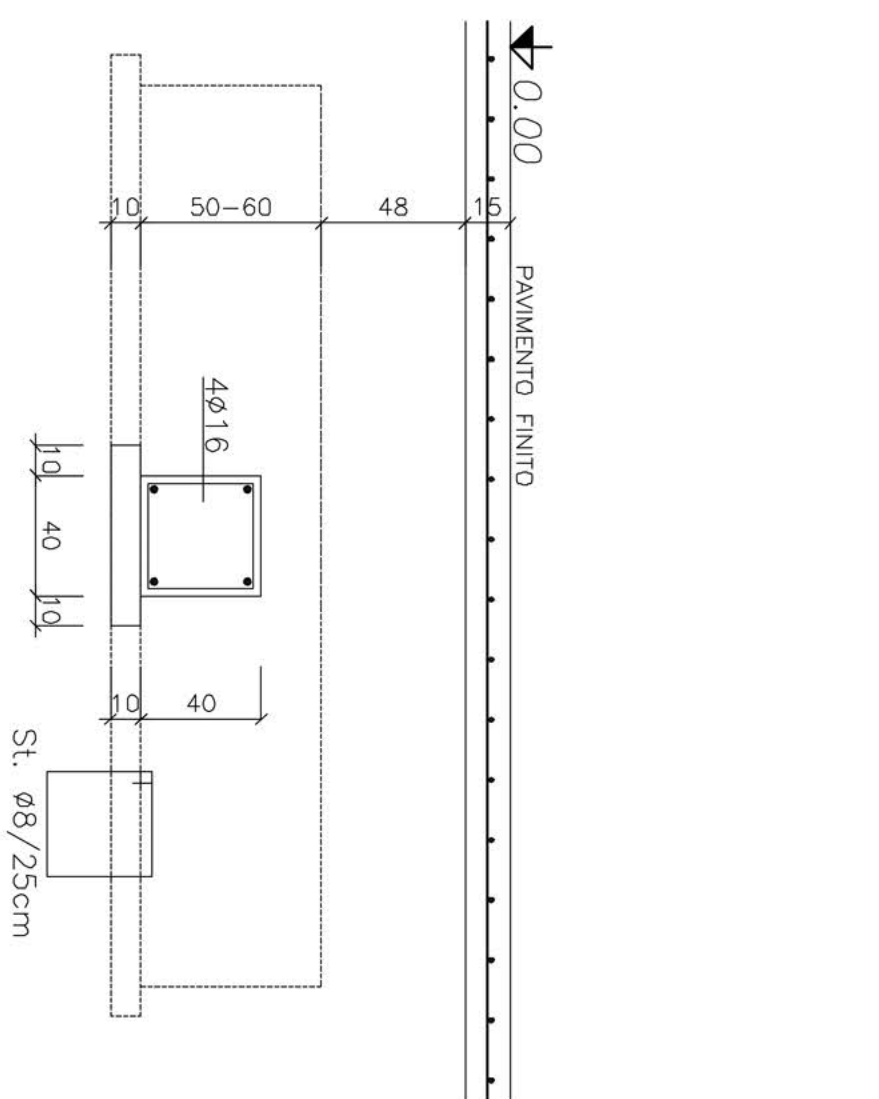

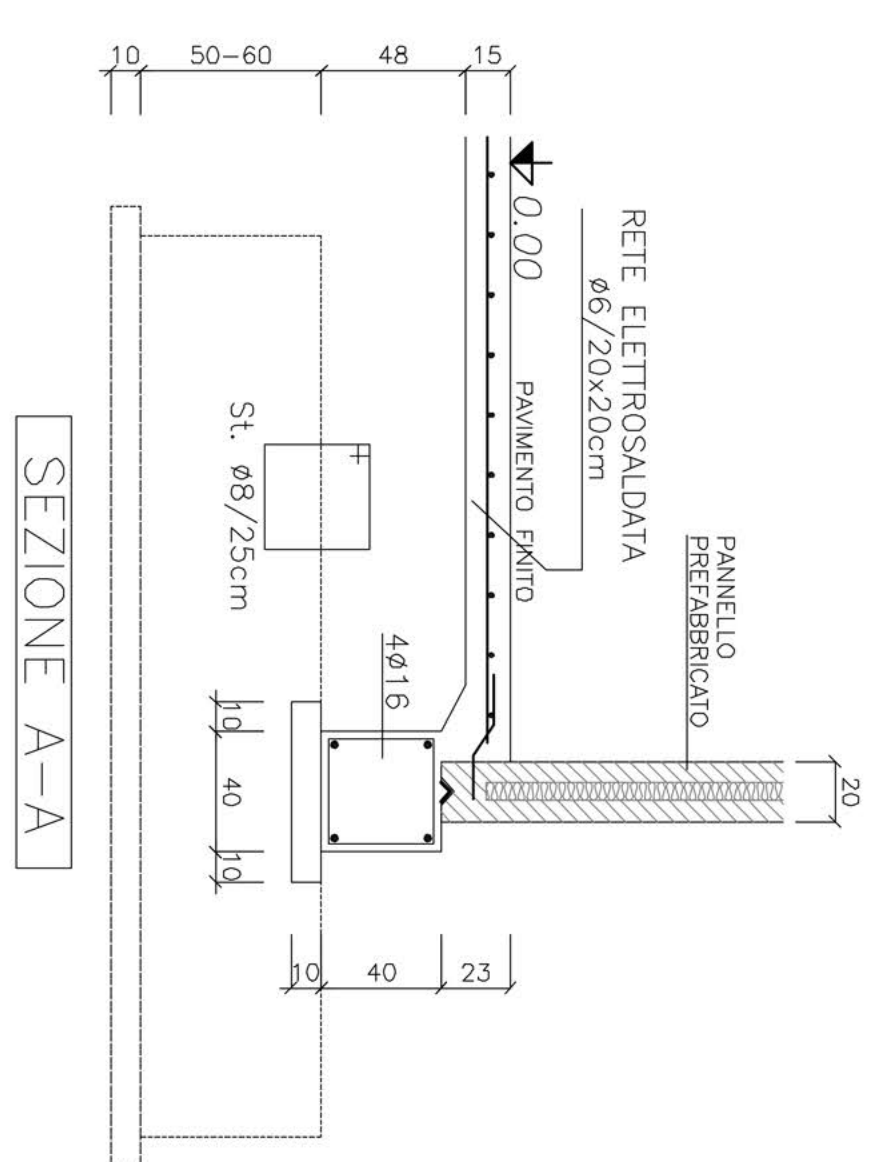

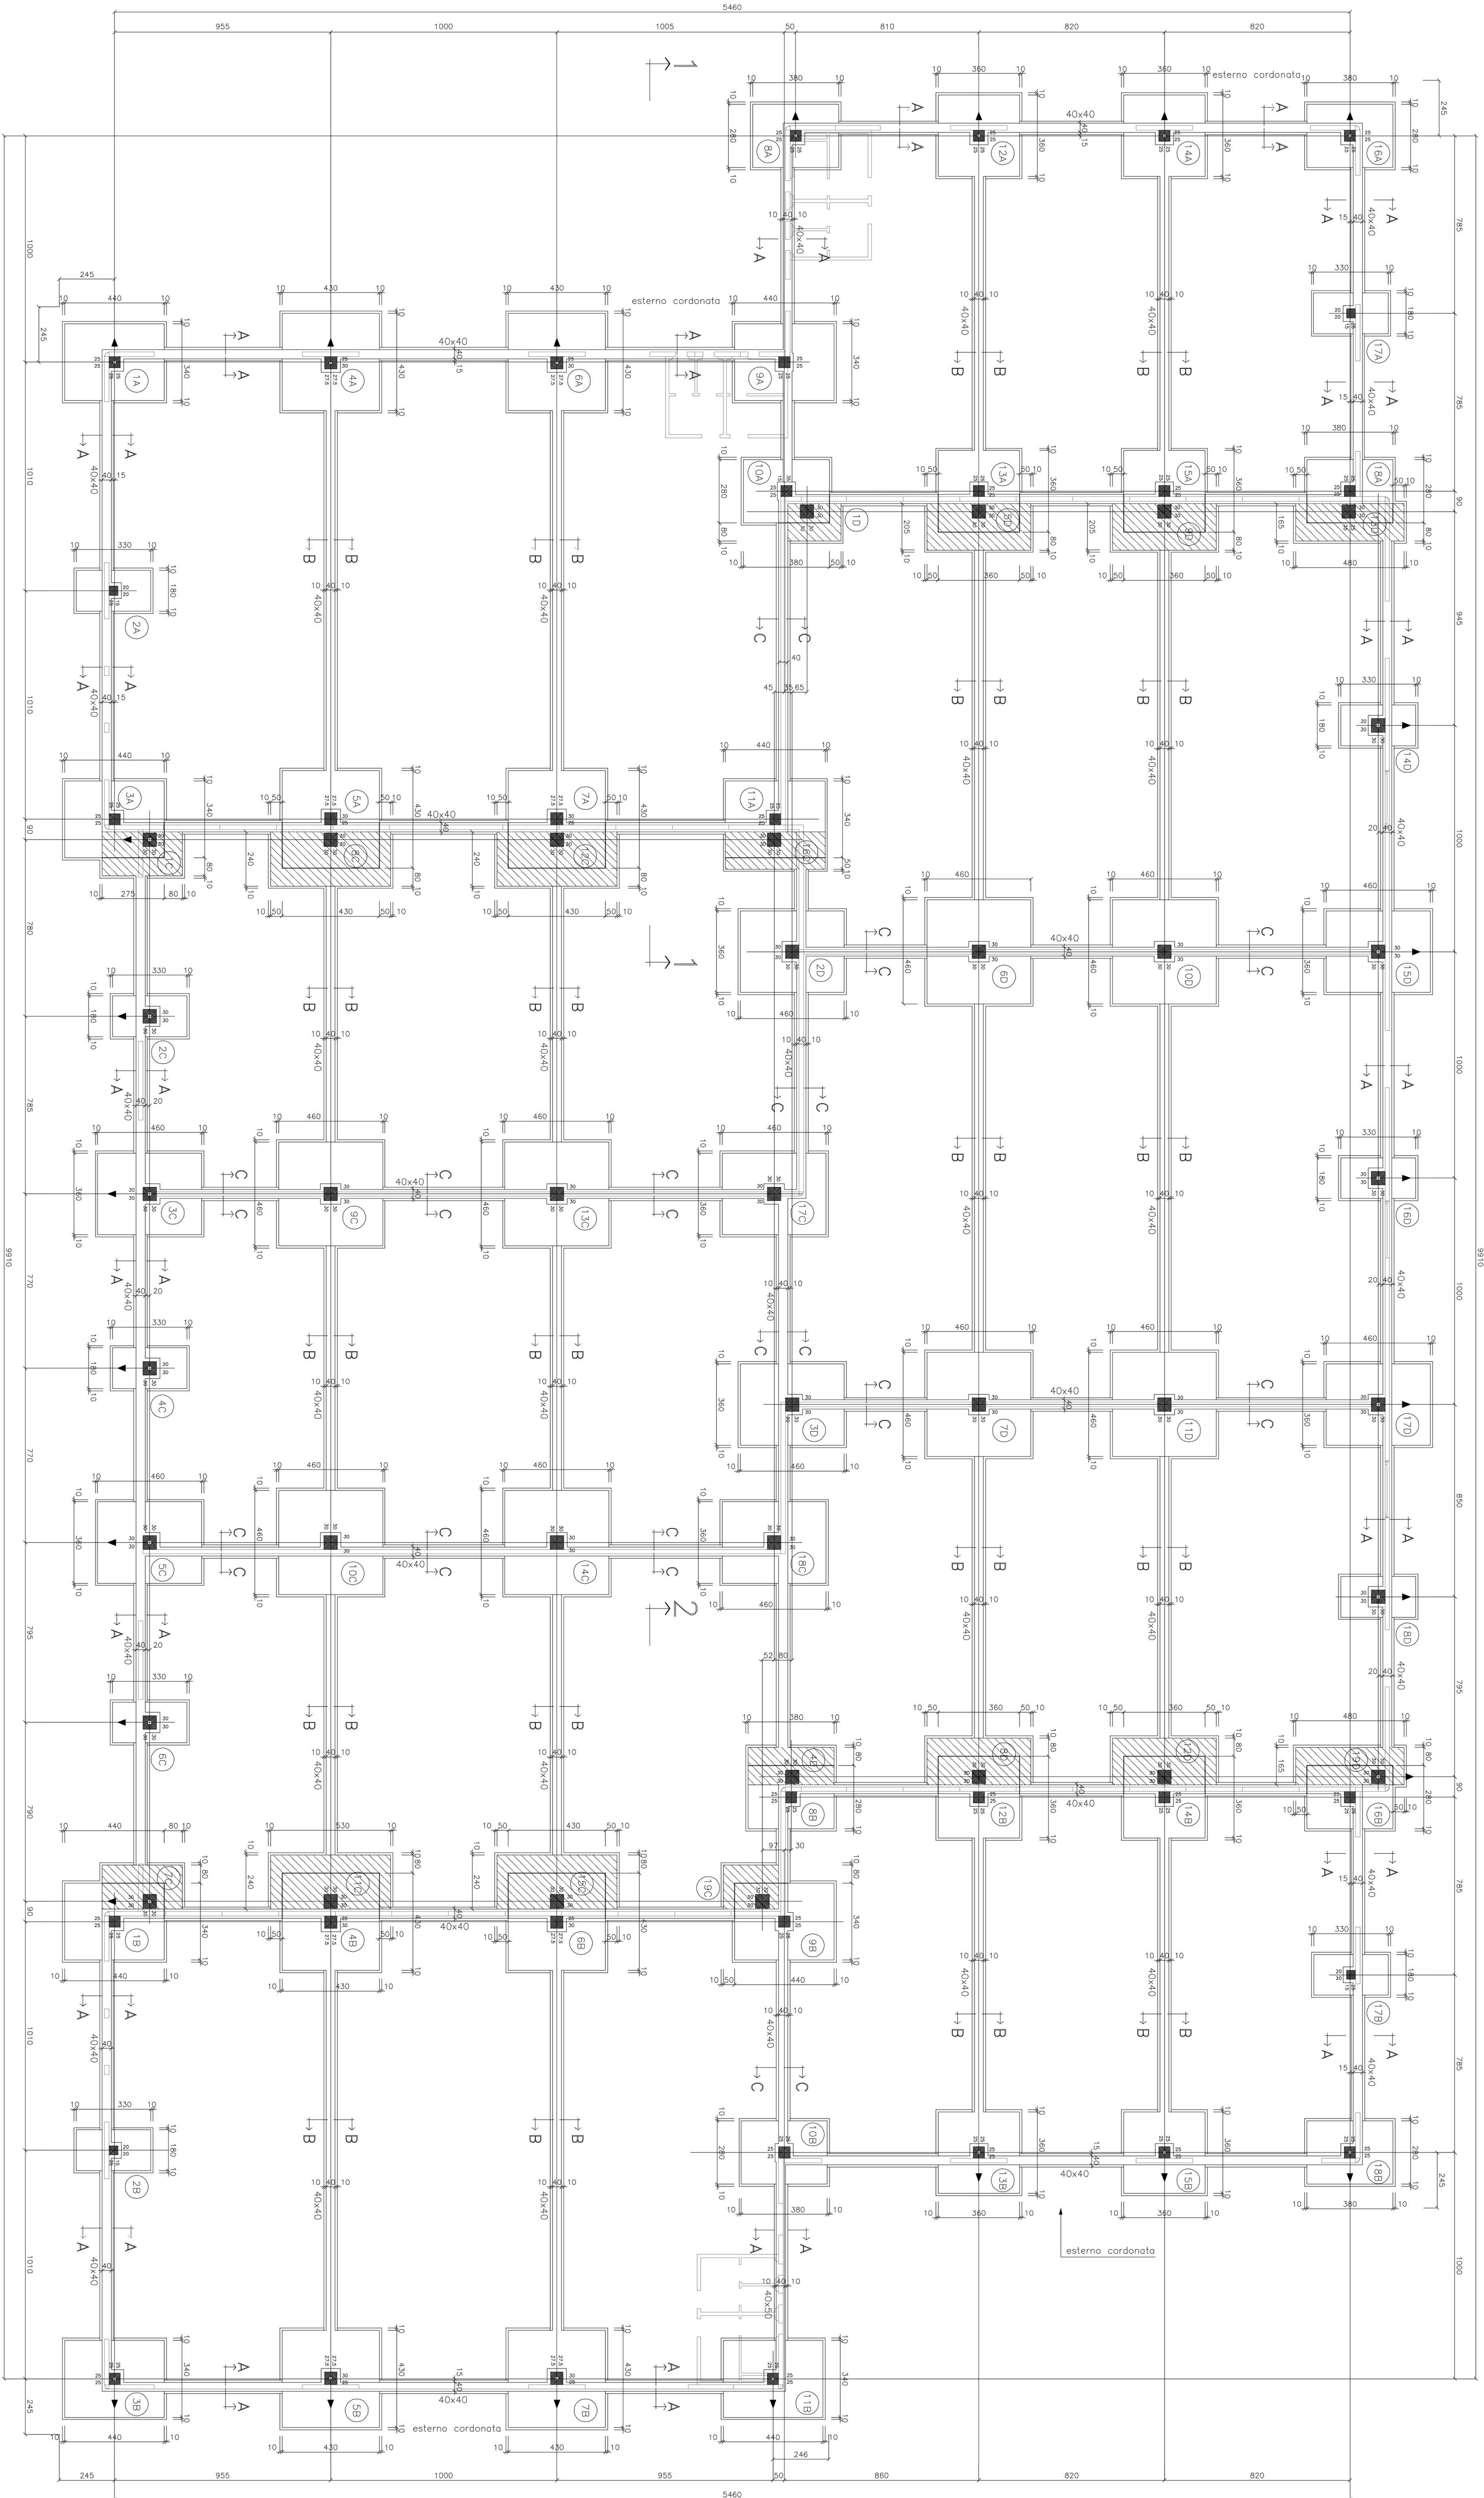

Diagram illustrating the cross-section of a composite structure, showing the internal and external layers (Ammortizzante) and the central core (Ammortizzante Interiore).

Labels and dimensions:

- AMMORTIZANTE SUPERIORE (Top layer)
- AMMORTIZANTE INTERIORE (Internal core)
- AMMORTIZANTE INFERIORE (Bottom layer)
- INDICAZIONE POSIZIONE AMMORTIZANTE (Indication of the position of the amortizer)
- LA SOLUZIONE (The solution)
- Dimension: 100 mm (Total height)
- Dimension: 40 mm (Internal core height)
- Dimension: 30 mm (External layer height)
